Bird in Hand FOCUS Special

Dear Resident

We have been contacted by residents who have heard rumours concerning the future development of the Bird in Hand as a Tesco store. We can confirm that we have also heard that Tesco may be interested in acquiring this site as a retail unit.

We are particularly concerned about the impact that this will have upon the existing small retailers in the shopping parade who have faithfully served our community. We would like to hear your views about the possibility of this development and would ask you to contact us using the contact details below.

We will do our best to serve the interests of our community and support our existing shop keepers, working with them to protect the future of all the shops in Brickhill Drive.

With our best wishes

Councillor Charles Royden
