## **FOCUS SPECIAL 'No Ball Games ? '**

Dear Resident

We have been contacted by residents concerning the proposals to remove the 'No Ball Games Signs' on the green space on Hamble Road. Bedford Borough Council has received requests for these to be removed, so that football can be played on the grass. A consultation is now taking place to discover the views of residents. As your Borough Councillors in Brickhill, we would be pleased to hear from residents who have any opinions on what action should be taken by the Borough Council. Residents are currently being asked the following questions -

1. Would you like the 'No Ball Games' signs removed ?
2. Would you like the existing 'No Ball Games' signs replaced with 'No Ball Games to be played by persons over the age of 10 signs ?
3. Would you like an area of longer grass left, within the indicated area, to deter ball games instead of 'No Ball Games' signs ?

We are concerned to ensure that that as many affected residents as possible are able to respond and express their views. We are also aware that residents may have comments to make other than the three choices which are given by the Borough Council. For example, would you like 'No Ball Games' signs **and** additional landscaping? Please would you advise us directly of any views which you would like considered? We would appreciate hearing from you using the contact details shown below. We will ensure that the process takes account of all the contributions made and advise you of the outcome in due course. You will find additional information on our website [www.puttingbrickhillfirst.com](http://www.puttingbrickhillfirst.com)

Please remember you can always get in touch with us about any issue using our contact details shown below. Or come along to one of our regular surgeries, the next are as follows.
